Corrections to the March 7, 2011 minutes:

Minutes should read March 7, 2011, not March 4, 2011.

Under 2011 projects, sidewalk extended to the Memorial to be omitted.

Motion by Lorraine to approve March 7, 2011 minutes as corrected. Seconded by Tubbs. All ayes. Motion approved.

New Business:

1. 2011 Projects:

- A. Tennis Court. Christine talked to Paul about the tennis court. He has contacted several people who are going to call her about this, but hadn't at the time of the meeting. Christine went on line to get information, and found single court size to be 60' by 120'.
- B. Walking path. Christine is going to contact Reith Riley and Payne and Dolan, regarding this project.
- C. Fencing. Don contacted Alpine Fence regarding fencing around the Tennis court. He is interested in bidding on the project. Fence is to be 10 foot high, with pricing for both galvanized, and vinyl coated fence. At least two bids are needed for this project.
- D. Bleachers. Christine brought in catalogs, and the committee decided on two aluminum bleachers. Marsha will call on price of shipping, and questions regarding installation.
- E. Irrigation system. Paul is going to submit a price on getting sprinkler system in park area in working condition.
- F. Marsha inquired about having a dog park. The Township Committee is

not interested in having one at this time.

Projects we undertake this year, are dependent on the cost of the tennis court. If it is too costly, we will focus on some of the smaller projects.

Old Business:

1. Power Point Presentation. Christine is working on the Power Point Presentation, that the members of the committee are going to present at the Association Meetings in the Township. As of now, Dani is going to present at Guthrie Lake, Marsha at Heart Lake, Loraine at Bradford Lake and Don at Fawn Lake. Otsego Lake and Michaywe have not been assigned at this time.
2. Handouts. Christine is going to make handouts for the Association Meetings, so members attending can give their input as to what they would like to see offered in our Township.
3. New Member. The committee is happy to welcome Marsha Taylor to our group. We are still looking for an alternate member.

Meeting adjourned at 7:00p.m..

Next scheduled meeting, May 23, 2011, 6:00p.m. at the Township Park.
